AMERICA IS NOT DIVIDED BY RACE, COLOR, GENDER, OR SEXUAL ORIENTATION.
AMERICA IS DIVIDED INTO WISE PEOPLE AND FOOLS.
AND FOOLS DIVIDE THEMSELVES BY RACE, COLOR, GENDER, OR SEXUAL ORIENTATION.

Some people wouldn't recognize tyranny if it slapped a mask on their face, made them stand 6 feet apart, and forced them to take a vaccine for a virus with a 99.8% survival rate.

Teach your children there is no glory or heros in war.

That the glory comes from the actions that prevent war, and the heros are the ones who implement those actions.

The worst pain
a man can suffer:
to have insight
into much
and power
over nothing.

Why would someone
take a third dose of
something that didn't
work the first two times?

New C8 Corvette owner said:

A guy looked at my Corvette the other day and said, "I wonder how many people could have been fed for the money that sports car cost?"

I replied I'm not sure;

"It fed a lot of families in Bowling Green, Kentucky who built it, it fed the people who make the tires, it fed the people who made the components that went into it, it fed the people in the copper mine who mined the copper for the wires, it fed people in at Caterpillar who make the trucks that haul the copper ore.

It fed the trucking people who hauled it from the plant to the dealernd fed the people working at the dealership and their families.

But... I have to admit, I guess I really don't know how many people it fed."

That is the difference between capitalism and the welfare mentality.

When you buy something, you put money in people's pockets and give them dignity for their skills.

When you give someone something for nothing, you rob them of their dignity and self-worth.

Capitalism is freely giving your money in exchange for something of value.

Socialism is having the government take your money against your will and give it to someone else for doing nothing.
